Pricing above is for a 4 week period which WSGD uses for tuition purposes. Because we do not run on a session basis, there is no need to “re-enroll”. Simply pay tuition at the beginning of each month and your child’s place is assured. Payments may be made by check, cash or credit/debit card. Automatic payments are available as well as payment through our website for your added convenience. Missed classes may be made-up, but must be scheduled in advance either by calling or emailing WSGD. Missed classes cannot be credited to the next period’s tuition.

Please contact our office for discounts for one child taking additional classes not shown above. **A 20% sibling discount applies to a second child enrolled and 50% off a third child.** Discounts are applied to the lesser costing classes.
