

THE WILSON SCHOOL OF GYMNASTICS & DANCE

November 21, 2011

IMPORTANT INFORMATION FOR MONDAY CLASS PARENTS: Slight adjustment to the times of the Monday 6:00 and 7:00 classes

All Monday Gymnastics & Cheerleading Class Parents:

We are happy that our Monday classes are doing well, but also recognize that parking in between the classes is difficult.

While some of this is unavoidable, we are working to make this situation better.

The first thing we will do is **adjust the start of the 6:00 and 7:00 Gymnastics and Cheernastics classes slightly**. Beginning **Monday December 5th**, **gymnastics classes will run from 6:10 to 7:00 and 7:10 to 8:00**. **The Cheernastics II class will run from 7:10 to 8:10**. This will allow twenty minutes between the class that ends at 5:50 and the start of the next class now starting at 6:10. This is the time frame that we have the most children coming and going. Those who have children in the toddler and 6:00 class may continue to come at 6:00. We will watch your child in the (back) gym for the ten minutes so that you can go to the toddler class.

We will also add new times for Tiny Tot Classes (children 3 and 4 years old). These classes will be held in our front building and offered Wednesdays from 5:00 to 5:50 and 6:00 to 6:50. If one of these times works for you and you would like to switch just email us (tumble@wsgd.net) call us (717-264-1706) or stop in the office.

We do need a **minimum of four children to start a new class**. We will keep a waiting list until we have four children signed up for a class. At that time we will call those waiting and start the class immediately.

Parking: We will do our best to move the majority of our staff parking to open up additional spaces in the back of our building. There will be parking directly along the back of the building as well as across from the building. This is an area that has been recently graveled.

If at all possible for those of you who don't have toddler/infant children to park a little further down and/or in the back it would be appreciated.

The back has lighting on the building and there is a sidewalk around the side of the building. We are taking steps to get some lighting along the side of the building as well.

Thank you for your continued support and cooperation. We value all of our families and do everything we can to ensure that everyone has a positive experience.

Thank you,
Mr. Rod and Lefty
